# STROLLS THROUGH SPORTVILLE

By WILLIAM P. KIRK.

The Tough Tar Baby.

Now that Jack Dempsey has drawn the color line he has arrived in the charmed circle first designated by "yours truly, John L. Sullivan."

Thus Jack has reached into the dead past and revived one of pugiliam's

descript traditions.

Drawing the color line is a safe and same form of advertising that has at hard nuts to grack and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and at help and a certain air of alonfness often seen at Newport and a certain air of alonfness often seen at help and a certain air of alonfness often seen at help and a certain air of alonfness often seen at help and a certain air of alonfness often seen at help and a certain air of alonfness often seen at help and a certain air of alonfness often seen at help and a certain air

the court of St. James.

The way of the colored pug is hard and thorny. He must fight with his own race if he would fight at all, or with dubs of the Caucasian brand who cannot get into the limelight otherwise. Winning takes him nearer the throne, and the nearer he gets to the throne the higher grows the wall of previous

And so through the years the tar bables have pleaded pathetically for permission to punch their paler pals. They would sometimes speak of "tough bacon" or "hard lines," and Sam Langford, who lives in Boston, called it "hope
deferred," but whatever they said or whenever they said it, they didn't get the
easy matches, and seldom got enough of the hard ones to keep them in the
tailor-made garb that is the hallmark of a gentleman with the price.

All dis world am dark and dreary, When dem managers am leery!

mission to attend to their own busi-ness in the future and this was ranted by the majors.

The details of how the affairs of St. Louis National league. The details of how the affairs of the minors will be conducted without the milors will be conducted without the and of the hig leagues was being murked out at the weston today. The minor league magnates were greatly pleased at the outcome of their demands which brought separation from the majors despite the prediction that was freely made that all the good minor leagues players now free agents would fock to the major organizations. It was said that it was probable that some surt of arbitration would be decided on to settle disputes that may arise between the minors and major leagues.

While the intional association was in season the National and American leagues held short mactings.
